Hello –

On April 2, 2025, the current administration announced increased baseline and reciprocal import tariffs on many countries worldwide.

Like many companies, these significant tariff increases forced us to implement a 15% surcharge starting June 1, 2025.

Over the past 12 months, those increased import tariffs have remained in effect and have become part of our new business reality.

On February 20th, 2026, the Supreme Court of the United States ruled that key parts of the administration's tariffs were illegal.

This decision caused an immediate reduction in import tariffs to 10% for most countries and classifications.

We are pleased to inform you that starting April 1, 2026, we will fully eliminate our 15% tariff surcharge.

We want to emphasize that over the past year, we have not raised our prices. We firmly believe in offering the best value in the market, so across-the-board price increases were never considered.

Thank you for your continued support over the recent months. We have been, and always will be, in this together!

Additionally, from April 1 to May 31, 2026, we are offering extended Net 120 Dating Terms. The promotion thresholds are \$3,000 for Home Décor and \$1,000 for Jewelry, Apparel, Luminara & Crosstree Lane Candles, and Journals.

K & K Interiors, Inc. is celebrating its 30th anniversary this year! We could never have reached this milestone without you, our customers, and all of our dedicated employees. It's often said that it takes a village to raise a child, and we believe it takes the same village to build a successful business. Our sincerest and most heartfelt thanks for your past and future support! We consider you part of our family, and we always put family first.

We feel truly blessed!
